LUCE SERIES
Quality and Versatility

Ürün Özellikleri

Luca Serisi, düz ve geniş profil yüzey görüntüsü ile sağlam bir algı oluşturmaktadır. Kurulum kolaylığı ve mukavim yapısı ile emsallerinden ayrılmaktadır. Ayrıca iki duvar arası, köşe ve oval uygulamalarda özellikle ege bölgesi mimarisinde tercih edilmektedir. Yüksek kalitede parlaklığa sahip profillerimiz ile oluşturduğumuz bu kabin 5,6 ve 8 mm temper cam ile oval, köşe, iki duvar arası ve yan panelli sistemler kurulabilmektedir.

Product Specifications

Luca has built up by straight and wide profiles, this system provides a solid appearance for it's users. On the other hand, Luca can be easily sat up, as it was designed with a simple and smart logic.
Luca System offers wall to wall, corner and oval cabins by using 5, 6 and 8 mm tempered glass.
